FOR IMMEDIATE RELEASE

MARYDEL, Delaware – February 23, 2010 – The Bryans Road Volunteer Fire Department in Charles County, Maryland has contracted with DPC Emergency Equipment for the outfitting of three specialty vehicles. The units include an administrative car, command vehicle, and brush truck.

The department is placing into service a new Ford Flex which DPC will outfit with warning lights and radios. A 2010 Ford Expedition which will serve as the department's new command unit, will be outfitted with LED warning lights, radios, and custom-fabricated, aluminum center and rear consoles that will be sprayed with black LINE-X.

A 2011 Ford F-350 4x4 chassis will serve as the platform for Bryans Road's new brush truck. The unit will have a Hale HPX 100 high pressure pump, 150-gallon water tank, Akron low profile hose reel with 200' of 3/4" hose, (2) FRC HID 150-watt, 12-volt quartz lights, and a 12,000 pound portable Warn winch. The warning light package will feature LED products from both Weldon and Whelen. A custom-fabricated, aluminum center console sprayed with black LINE-X will be installed in the cab. The bed of the truck will also feature custom designed storage compartments.

A family owned and operated company, DPC Emergency Equipment has continuously served public safety personnel in Maryland and Delaware for 20 years. DPC operates a custom fabrication department staffed by a team of full-time welders and fabricators. We manufacturer and outfit special application vehicles for public safety and law enforcement agencies including command units, brush trucks, and specialty team vehicles. We are also an authorized sales and service dealer for Rosenbauer America, Spartan Motors, Wheeled Coach, and Road Rescue in both Maryland and Delaware.
