## FOR IMMEDIATE RELEASE

MARYDEL, Delaware - January 5, 2010 - The entire staff at DPC Emergency Equipment would like to extend our sincere thanks and appreciation to all of our customers who helped make 2009 the most successful year in the company's history. As we move into 2010, DPC will celebrate its 20<sup>th</sup> Anniversary of serving public safety personnel in Maryland and Delaware.

Many accomplishments were achieved throughout the year including the delivery of the first Rosenbauer emergency vehicles in Delaware and Maryland. We feel privileged to be associated with such an upstanding and innovative manufacturer such as Rosenbauer. The year began with an order for nine pumpers for Baltimore County and ended with a total of over 20 new apparatus being sold. Ambulance sales were also steady with over 30 Wheeled Coach and Road Rescue ambulances being sold in 2009. You can view all units currently on order by clicking [here](#).

DPC's fabrication department has been kept busy with many projects which included completing over 20 command units, brush trucks, and other similar projects throughout the year. Our talented group of welders and fabricators continue to demonstrate their amazing ability to meet just about any customer request.

Our service department has also been busy and has secured many new service contracts, including a major one with the U.S. Navy. The high point of the year occurred late in 2009 when Mike Richard was named the Master Medium/Heavy Truck Technician of the Year by Snap-on/ASE.

In closing we would like to thank each and every employee, customer, and vendor that has contributed to the continued success of DPC. We are honored to serve you and look forward to many more years of continued relationships.

A family owned and operated company, DPC Emergency Equipment has continuously served public safety personnel in Maryland and Delaware for 19 years. DPC is an authorized sales and service dealer for Rosenbauer America, Spartan Motors, Wheeled Coach, and Road Rescue in both Maryland and Delaware.
